

PROHIBITION ON RECOMMENDATION FOR PSYCHOTROPIC DRUGS

Statement

To define the policy of the Torrington Board of Education with regard to prohibition for recommendation for medication, specifically psychotropic drugs, as required by Public Act 01-124.

Policy

The Board of Education prohibits school personnel from recommending the use of psychotropic drugs for any child. For the purposes of this policy, the term “recommend” shall mean to directly or indirectly suggest that a child should use psychotropic drugs.

Notwithstanding the foregoing, school medical personnel may recommend that a child be evaluated by an appropriate medical practitioner.

Nothing in this policy shall be construed to prohibit a planning and placement team from discussing with parents and/or guardians of a child the appropriateness of consultation with, or evaluation by, medical practitioners; or to prohibit school personnel from consulting with appropriate medical practitioners with the consent of the parents and/or guardians of a child.
